To Whom It May Concern

It is my great pleasure to recommend Mr. Hassan A. Bahathiq for any academic or professional opportunity he chooses to pursue. I had the privilege of teaching Mr. Bahathiq in the **Hardware and Software Interface** course during the Winter 1445 semester, where he demonstrated exceptional academic ability and earned a final grade of A+.

Throughout the course, Mr. Bahathiq consistently displayed a high level of engagement, professionalism, and collaboration. He actively participated in class discussions and group activities, offering insightful contributions and frequently taking the initiative to assist his classmates in understanding challenging concepts. His intellectual curiosity, strong work ethic, and commitment to excellence distinguished him among his peers.

Beyond his academic achievements, Mr. Bahathiq made significant contributions to the Students Computing Club. As an active member and subsequently as the club's president, he demonstrated outstanding leadership, organizational, and interpersonal skills. In this capacity, he successfully planned and led a variety of innovative events and initiatives that positively impacted the student community and fostered greater engagement among members.

Mr. Bahathiq possesses a strong technical foundation, excellent character, and a genuine eagerness to learn and grow. His adaptability, collaborative mindset, and leadership potential make him an outstanding candidate for any academic institution or organization. I am confident that he will be a valuable asset wherever he chooses to apply his talents.

I advise him to inculcate the piety of Allah in his heart and actions and to continue improving his skills and knowledge. I have no doubt that he will achieve continued success in his future endeavors. Should you require any further information, I would be more than happy to provide it.

Sincerely,
Dr. Ghassan F. Bati
Assistant Professor
Department of Computer and Network Engineering
College of Computing
Umm Al-Qura University
